Important Information

This form asks for information about your income from self-employment. We need this information to help us determine a student's entitlement to student finance.

Please provide details of your income on this form if you are:

- Self-employed (sole trader or partnership);
- A company director;
- A minister of religion; or
- You receive income from land, property or furnished lettings.

Instructions

- Complete the form in black ink and use BLOCK CAPITALS.
- **Answer all the questions in section 1.**
- If you are self-employed, your accountant should answer all questions in section 2. If you do not have an accountant, please complete section 2 yourself. If a question does not apply to you, write "N/A" or "None". If you do not we may return this form to you as it will appear incomplete. This may delay the student's application for student finance.
- If your income is from the profits of a business, trade or profession, the figure you need to declare is normally the one you enter on either the Self-Assessment Tax Return form or the Short Tax Return form, whichever is applicable, for year ended 5 April 2008 and used by HM Revenue & Customs (HMRC) to work out your tax liability for the tax year 2007-08. You must supply trading year income for the period between 6 April 2007 and the 5 April 2008. Alternatively, you can send a signed copy of either form named above.
- **Once you have completed this form** and signed and dated the declaration, please return it to us at the address shown on the letter accompanying this form or on the LA Finder list available at www.studentfinancedirect.co.uk/lafinder.
